Dear Parents & Community

Winter greetings! Well I trust you have all had a relaxing long weekend. I spent my long weekend in Alice Springs which was a tad warmer during the day but I can assure you it was exceedingly colder under the stars in a swag!

We are now well and truly halfway through the term. Staff are beginning to write mid year reports and are using a variety of assessments to gather information about student achievements so far. These reports will be ready **for distribution from Wednesday week 10. If you have any concerns or questions about your child's report please do not hesitate in contacting the classroom teacher to arrange a time to meet.**

It was so delightful to visit the music classroom last Wednesday when Mr Mueller's class were playing the ukuleles in small groups, Not only did it sound good but it was a great example of collaboration. Each group were working together so well and clearly enjoying their performance.

As the days become colder, I encourage all students to dress warmly and, wherever possible, stay out of the cold. There are plenty of unclaimed school jumpers in lost property so please encourage your child to check the box in

case they have misplaced their jumpers. The virus or viruses that were so contagious a few weeks ago are still hanging around and we are having children come to school who are unwell. Please do not send your child to school if they are unwell as not only is their illness shared around, they are not able to make it through the day and we are perforce required to send them home

Do you have a child starting school in 2020 or know of families looking for a school? Our enrolments are well under way, and there are many local families keen to enrol their children. Please support us by enrolling as early as possible and of course share the news of our great school. We have regular tours and are happy to answer any questions that families may have. Until week 9...

Regards

Marie-Louise, Mary & Birgit

Assembly Monday 3 June

Calling any fence builders!

The Year 6/7 Park Rangers have been designing and creating a mini National Park near the chickens. They have received grant money to build a fence around the area.

As I have very little knowledge in this area

I am wondering if there are any experienced fence builders who have time to meet with me to determine exactly what I need to purchase and prepare.

We are planning a working bee early next term to build the fence. Please contact me at school if you can help.

Margot Bradley – 6/7 teacher

<https://communitylottery.peopleschoicecu.com.au/public/community-groups/bellevue-heights-primary-school/>

We ask you that you please get on board and let's get the fund-o-meter booming! Here are 5 ways you can help us to promote the lottery and sell tickets:

- 1. SEND** - EVERYONE you know this email or write your very own personal email and include this link <https://www.peopleschoicecu.com.au/public/community-groups/bellevue-heights-primary-school/> so they can buy their ticket/s.
- 2. SHARE** – Keep an eye out on our school and P&F page for the link and click the **SHARE** button so you can let all your friends and family know about our fundraising. Share, share, share!!!!
- 3. TALK** - Tell all of your family and friends. Feel free to print off the attached Prize List and show it to people. The link to our personal lottery page is on every page so they can't miss it!
- 4. ASK** - Simply ask your family, friends, work colleagues, sports groups, church groups, local community, etc to support your children and their school! This is better than any box of chocolates so get every body on board by saying "Hey, our school is part of that amazing People's Choice Community Lottery. You know the one where you can win cars, travel vouchers, shopping sprees and has a prize pool of \$360,000 plus an Early Bird Prize which is a car! It's only \$2 for a ticket and 100% of the funds go to our school. It's amazing and we'd love you to help us. I'll send you the link where you can buy your ticket/s."
- 5. BUY** – Of course you can buy a ticket or 50 and keep them all to yourself, or perhaps someone has a Birthday/Anniversary/Special Occasion coming up that you could share the love with! Buy them a ticket or two and give them the gift of helping our school and the opportunity to win big.

STUCK ON YOU PERSONALISED LABELS

With water safety lessons starting next week now is a good time to look at labelling **your child's school** clothes.

These labels are also perfect for labelling lunch boxes.
