Dear Parents & Community,

"That was so last term....." this was a phrase repeated to me by a staff member who overheard two students talking about material they had produced earlier in the year. There were also comments such as "Oh I am embarrassed that I handed that up" whilst another student said "I can't even read what I wrote!!" As teachers we love to hear such things as it is a clear signpost that our students are growing in their understanding of what it means to be a learner.

This week I observed our Foundation and Year One students writing "narratives" that have a clear story line. I also read some amazing sizzling beginnings from the narratives of middle primary students that captured my attention ... I have promised some of these students that I will include their work in our next newsletter (they were not quite finished at the time of publishing), upper primary students are beginning to craft their graduation speeches and we are witnessing a STEM revolution with the arrival of a 3D printer and of course the Robotics Challenge for students in the upper years.

Great learning is taking place at Bellevue Heights Primary School for students and staff alike. Last Friday, (the Pupil Free Day) we had Simon Brooks work with all staff regarding Cultures of Thinking. Not only did he demonstrate new routines for teachers to use to stimulate thinking but he also showed us how we can fuse approaches to deepen the learning of our students. It was a great day and I am sure over the coming terms your children will be talking about Zooming In, What Happens Next?, Headlines and Colour, Symbol, Image (CSI!).

Meet your Governing Council – Part 1

Dear families

As we are half way through the 2019 school year the Governing Council thought it might be a good opportunity to put faces to names and let you know a little bit about each of us. Over the next two newsletters we'll let you know who we are and our specific roles on the governing council.

Cheers, Tash Grundy - Chairperson

My name is Andrew Cassetti and this is my first year as part of the Bellevue Heights Primary School community and on Governing Council. My daughter is in reception and I'm on the Gardening Patch and Finance committees.

My name is Eleanor Parker/Jeizan. My role on the Governing Council is as Secretary and I'm the Promotions Committee Rep.

I have 2 children, both are at school, one in reception and the other in year 2.

I joined the governing Council for a number of reasons;

1. I like to know what is going on.
2. I love the community feel of the school and felt this was a good way to contribute to the school community and help continue to foster and further develop this.
3. I grew up in a family where getting involved is just what you do!

Best things about BHPS: the country feel and sense of community, multicultural school community, large grounds with smaller numbers of kids giving a sense of space and freedom while feeling like we recognise most families (again because I like to know what is going on!)

My name is Natasha (Tash) Grundy. I have been on the Governing Council for around 5 years and my role is that of Chairperson and I am a member of the Promotions and Finance committees.

I have been very fortunate to have had the role of Chairperson for a number of years, including sharing the job with Sarah Wight and Tash Howard at times and to have been a part of several committees.

I have 3 kids and the occasional exchange student. My son now goes to Blackwood High and my daughters are in year 7 and year 4.

We moved to SA 11 years ago and the school has been a fabulous place for us as a family to make connections and feel we belong to a community.

SCHOOL PHOTO DAY

Thursday 22 August

Photo envelopes have been sent home.

Family envelopes will also be available from the school office.

All payments must be enclosed in the envelope and brought to school by your child on photo day

(DO NOT BRING MONEY BEFORE PHOTO DAY) and note that no change will be available from the school office or photographers. You may prefer to order on-line so your child doesn't have to bring money to school, just follow the instructions on the envelope.

If your child didn't bring home an envelope please let the office staff know.

If you have any queries please phone MSP photographers direct on 8391 3951.

GROWTH & DEVELOPMENT FAMILY EVENING

Tuesday 3 September

PUT THIS DATE IN YOUR DIARY

Bellevue Heights Primary School Governing Council are hosting a Growth & Development family evening for parents and children at school.

More information will come home soon about these sessions that are conducted by **Kidz Biz Education** and are designed to be fun, informative and easy to understand.

Session 1: 'Where Did We Come From?' (Suitable for Year 2 to Year 4)

Session (2) 'What's Happening To Us?' (Suitable for Year 5 to 7 students)

NEW SOCIAL WORK STUDENTS

Terms 3 & 4

Dear parents and community

We would like to introduce ourselves. We are Master Social Work students at Flinders University doing our first placement at Bellevue Heights Primary School. You will see us at school most Mondays to Thursdays.

Silviani Sehardjo (Silvia)
Indonesia

Zhong Wen (Wendy)
China

Our purpose at Bellevue Heights Primary School is to learn to contribute in creating a happy and safe school environment for students to play, learn and socialise with their peers; and to improve their well-being by working alongside parents, teachers, staff and the community.

We look forward to working together with you!
