Bellevue Heights Primary School has a school dress code policy. The uniform selected is flexible, based around the school colours of maroon and sky blue with a variety of interchangeable pieces allowing for choice and individual preferences.

The Bellevue Heights Primary School school uniform policy is compulsory and includes clothing suitable for everyday physical activities, as well as academic pursuits.

The school believes that the wearing of a school uniform creates a positive school identity and public image. We believe our uniform items maintain choice for individuals, are mindful of protection, allow for a variety of physical activities, reflect principles of equality of opportunity and are cost effective.
