Dear Parents and Community members,

This is just a brief note as we will be sending out a formal newsletter Friday week 2. I do trust that you all had a break and that if you were lucky enough to travel that the weather did not infringe too much on your planned activities.

We are currently in the process of preparing for 2021. We are now accepting requests from parents regarding their child's placement for 2021 until Thursday 5th November (week4)

All requests will be considered and where possible acted upon.

However; with only a finite number of class options and creating classes that are balanced academically, socially and behaviourally the good of the whole group will take priority over the individual. Therefore parent requests are not guaranteed.

We assume that parents and caregivers who do not submit a request are comfortable with class teachers making informed decisions about their child's placement in 2020.

When setting classes we consider parent requests, student identified friendships and teacher input. Furthermore, it is important to understand that teachers have not been allocated year levels at this stage, nor have the configuration of classes been finalised. Class structures depend on the numbers of students in the year levels so should you be moving on at the end of the year please let us know.

Until our newsletter week 2
